

VALUATION PROTECTION

Protecting Your Household Belongings

Valuation protection is the value you declare for your possessions. It is not insurance. It determines your coverage if your belongings need to be repaired or replaced after a move.

Choose your coverage:

LIMITED LIABILITY

- ☒ Free!
- ☒ Automatic!
- ☒ Reimburses your items at 60 cents per pound, per item.

RVP Full Replacement Value Protection

- ☒ Based on declared shipment value and deductible.
- ☒ Damaged goods repaired.
- ☒ Can't be fixed? Goods compensated at declared value (minus deductible).

EXAMPLE: A 50-pound TV has a declared valued of \$1,000. How would it be compensated?

LIMITED LIABILITY: **\$30**

RVP: **\$1,000** MINUS THE DEDUCTIBLE

High-value inventory?

Your local Bekins agent can provide you with complete information about high-value inventory items.
